JAGUAR

THE ART OF PERFORMANCE

Every day we push performance to its limit. Our performance. Our cars' performance.
We innovate, we engineer, we design. We master rules and then break them.
Only to push further. Past the limits of convention. This is when performance becomes art.

Jaguar. The Art of Performance.

INTRODUCTION

THE CONCEPT OF XJ

XJ is Jaguar's pinnacle saloon car, the perfect combination of cutting-edge technology, sporting vehicle dynamics, and opulent luxury. In the cabin, there's space to stretch out, relax or work using our latest connected technology, Touch Pro. With Touch Pro's 10" Touchscreen and the availability of 4G Wi-Fi¹ Internet, XJ has everything you need to make your journey more productive, entertaining and relaxed.

Always working with you to help keep all occupants safe, is an enhanced suite of Advanced Driver Assist Systems² including Driver Condition Monitor, Lane Keep Assist and Adaptive Cruise Control with Queue Assist¹. While energy-efficient full-LED headlights, standard on every XJ, produce piercing beams of light with a quality close to daylight for safer driving.

For half a century, XJ has pushed the boundaries to deliver innovation and style. Today we mark this milestone with the special edition XJ50¹. With its advanced driving technologies and, of course, supreme comfort, the XJ50 truly is one of a kind.

¹Market dependent.

²See page 46 for details.

In-car features should be used by drivers only when safe to do so. Drivers must retain full control of the vehicle at all times.

VEHICLE SHOWN: XJ AUTOBIOGRAPHY LONG WHEELBASE IN LOIRE BLUE WITH OPTIONAL FEATURES FITTED (MARKET DEPENDENT)

XJ - THE FACTS

Jaguar's technology is focused on enhancing the journey for you and your passengers. Dynamic systems assist performance, handling and comfort. XJ also features the latest connected technology and an array of luxury interior choices.

¹Optional feature. ²Market dependent. ³Standard on Portfolio, XJ50 and XJR575. Not available on other models.

Remote contains subscription services that can be extended after the initial term advised by your Jaguar Retailer. InControl features, options and their availability remain market dependent - check with your Jaguar Retailer for local market availability and full terms. Information and images displayed in relation to the InControl technology, including screens or sequences, are subject to software updates, version control and other system/visual changes depending on options selected. Mobile network connectivity cannot be guaranteed in all locations. InControl Apps and Remote App will need to be downloaded from the Apple/Play Store. All in-car features should be used by drivers only when safe for them to do so. Drivers must ensure they are in full control of the vehicle at all times.

The figures provided are as a result of official manufacturer's tests in accordance with EU legislation. For comparison purposes only. Real world figures may differ. CO₂ and fuel economy figures may vary according to wheel fitment and optional extras fitted.

VEHICLE SHOWN: XJ50 LONG WHEELBASE IN LOIRE BLUE WITH OPTIONAL FEATURES FITTED (MARKET DEPENDENT)

CONNECTED CAR

Connect Pro¹ is a package of applications and technologies that keeps XJ connected to the world. It runs a suite of useful smartphone apps from the 10" Touchscreen. Connect Pro's services, technologies and applications give you the very best in connectivity and convenience, all supported by a fast 4G Wi-Fi Internet connection through a powerful external antenna.

PERFORMANCE AND EFFICIENCY

The XJ range offers a choice of performance engines, delivering everything from strong fuel economy to a top speed of 300km/h. There is a powerful, refined 3.0 litre 300PS diesel² engine offering fuel efficiency of up to 7.0 l/100km and CO₂ emissions from just 184g/km. It delivers 0-100km/h in 6.2 seconds thanks to a torque output of 700Nm. V6 and V8 petrol engines are also available to suit your driving needs. To smooth your progress, all models feature a sophisticated 8-speed Automatic Transmission.

ALL-ALUMINIUM CONSTRUCTION

XJ's all-aluminium body architecture is not only strong and rigid but also extremely light making the car highly responsive and agile, as well as fuel efficient. Riveted, and without a single welded joint, the 100 percent aluminium monocoque body structure makes this one of the lightest cars in its class and, without any compromise to the integrity of its body, one of the safest.

TOUCH PRO

Putting all the essential in-car controls and a world of entertainment at your fingertips is XJ's next-generation Touch Pro infotainment system. It features a larger 10" tablet-style Touchscreen with intuitive swipe and pinch-to-zoom navigation.

COLOURS AND MATERIALS

XJ provides true luxury choice throughout. A wealth of materials and finishes are at your disposal, including beautiful soft grain leather seats defined in a Diamond Quilted contrast stitched pattern³. Exclusive colour co-ordination continues throughout the cabin.

'DOUBLE J' HEADLIGHTS

Jaguar's unique 'Double J' Daytime Running Lights give XJ a distinctive appearance. The full LED headlights supply a 'whiter' light than conventional Xenon beams. Being closer to daylight, objects can be better recognised, helping increase comfort and safety during night driving.

WHEELS

XJ has an extensive selection of wheels and finishes including XJ50's exclusive 5 split-spoke 'Style 5045' alloy wheels with a Gloss Black and Diamond Turned finish¹.

DESIGN EXTERIOR PRINCIPLES

 DESIGN PURITY | POWERFUL STANCE

XJ stands out: authoritative, elegant, and powerful. XJ's teardrop shape is formed for optimum aerodynamic efficiency, reducing air resistance to a minimum, improving acceleration, fuel efficiency and CO₂ emissions. The shape is the result of exhaustive computational modelling where aesthetics and aerodynamics work together. The Chrome outlined side windows emphasise XJ's pure, elongated form. XJ's low, wide stance and long, taut waistline create a commanding presence, while inside the cabin still feels airy and spacious thanks to its panoramic roof and smart design.

VEHICLE SHOWN: XJ AUTOBIOGRAPHY LONG WHEELBASE IN LOIRE BLUE WITH OPTIONAL FEATURES FITTED (MARKET DEPENDENT)

EXTERIOR - A POWERFUL LOOK

 **BOLD FRONT GRILLE** | **'DOUBLE J' HEADLIGHTS**

XJ's assertive front styling includes an upright front grille design with mesh detail. The grille is framed by energy efficient full-LED headlights, sporting Jaguar's unique 'Double J' Daytime Running Light design. Producing a light with a colour temperature closer to natural daylight, objects can be better recognised helping increase comfort and safety during night driving.

At the rear, finishing touches include elliptical tailpipes and LED tail lights incorporating a distinctive pinstripe graphic that provides a crisp and clear 'ribbon of light'. The LED tail lights are brighter, more efficient and illuminate faster than halogen bulbs contributing to XJ's overall drive for greater efficiency.

VEHICLE SHOWN: XJ R-SPORT STANDARD WHEELBASE IN SANTORINI BLACK WITH OPTIONAL FEATURES FITTED (MARKET DEPENDENT)

EXTERIOR VIEW

FULL WIDTH PANORAMIC ROOF

The view from inside XJ is extensive: a panoramic, full width, heat-reflective glass roof sweeps back and over the rear seats. It filters UV rays and floods the interior with natural light making it feel airy, spacious and, thanks to effective tinting, very private. Power operated blinds allow you to completely block the light when required. Specially formulated toughened glass helps to keep the cabin cool.

VEHICLE SHOWN: XJ PORTFOLIO LONG WHEELBASE IN CARPATHIAN GREY WITH OPTIONAL FEATURES FITTED
(MARKET DEPENDENT)

INTERIOR TECHNOLOGY

CONNECTED INFOTAINMENT*

XJ's high-definition Interactive Driver Display puts everything you need to know about your driving right in front of you. The 12.3" screen displays the speed, fuel and temperature gauges and can be set to display the most relevant information, depending on the situation and set up. This multi-layered virtual display combines a user-friendly graphical interface with advanced functionality to make finding the right settings even easier.

The Interactive Driver Display is fully integrated with the 10" Touchscreen to put all information behind the wheel or on the centre console. For example, when working with Navigation Pro the Interactive Driver Display can be reconfigured to show 3D mapping, making following your route even simpler.

*Optional feature.

Remote contains subscription services that can be extended after the initial term advised by your Jaguar Retailer. InControl features, options and their availability remain market dependent - check with your Jaguar Retailer for local market availability and full terms. Information and images displayed in relation to the InControl technology, including screens or sequences, are subject to software updates, version control and other system/visual changes depending on options selected. Mobile network connectivity cannot be guaranteed in all locations. InControl Apps and Remote App will need to be downloaded from the Apple/Play Store. All in-car features should be used by drivers only when safe for them to do so. Drivers must ensure they are in full control of the vehicle at all times.

INTERIOR SHOWN: XJ PORTFOLIO LONG WHEELBASE SHOWING IVORY SOFT GRAIN PERFORATED LEATHER SEATS WITH EBONY CONTRAST STITCH, EBONY UPPER FACIA, EBONY SUEDECLOTH HEADLINING AND GLOSS RICH OAK VENEER WITH OPTIONAL FEATURES FITTED (MARKET DEPENDENT)

INTERIOR LUXURY

 CRAFTSMANSHIP | EXTENSIVE CHOICE

The quality of craftsmanship throughout the XJ cabin sets it apart. With a wide choice of colours, materials and finishes, the interior reflects the clarity and purity of XJ's exterior. The hand-crafted veneer that runs right around the cabin accentuates the sense of space. Jaguar's sporting character is present in the controls and architecture surrounding the driver including the leather-wrapped, three-spoke steering wheel that offers key controls at your fingertips.

INTERIOR SHOWN: XJ PORTFOLIO LONG WHEELBASE WITH OPTIONAL PREMIUM REAR SEAT PACK SHOWING IVORY SOFT GRAIN PERFORATED LEATHER SEATS WITH EBONY CONTRAST STITCH, EBONY UPPER FACIA, EBONY SUEDECLOTH HEADLINING AND GLOSS RICH OAK VENEER WITH OPTIONAL FEATURES FITTED (MARKET DEPENDENT)

INTERIOR COMFORT

FRONT PASSENGER SEAT AWAY

HEATING AND COOLING FUNCTIONS

FIVE MASSAGE PROGRAMMES

XJ's multi-functional seating gives you complete control of your comfort. Both front seats feature fine-tuned electric adjustment and can be specified with five different massage programmes. Both front and rear seats are heated. All seats feature a cooling function as well (excluding XJ Luxury model). Some XJ models also offer three-position user memory on the driver and front passenger seats. Long Wheelbase models can be further enhanced with a choice of Rear Seat Option Packs, featuring two individual airline-style reclining seats complete with three massage programmes and memory. The reclining rear seats can be programmed to return to an upright position when the door is opened and a 'front passenger seat away' function allows rear occupants to move the empty front passenger seat forward to increase legroom and aid access.

FRONT SEATS

Available with five different massage programmes, electric adjustment with three-position memory and heated/cooling function.

1. Five massage programmes
2. Three position memory function
3. Cooling function

REAR SEATS

Available on Long Wheelbase models with airline-style recline, three different massage programmes, electric adjustment with two-position memory.

1. Total recline movement is 11 degrees
2. 103mm of longitudinal cushion movement and separate 14.5 degrees of upper articulation movement

INTERIOR SHOWN: XJ PORTFOLIO LONG WHEELBASE WITH OPTIONAL PREMIUM REAR SEAT PACK SHOWING IVORY SOFT GRAIN PERFORATED LEATHER SEATS WITH EBONY CONTRAST STITCH, EBONY UPPER FACIA, EBONY SUEDECLOTH HEADLINING AND GLOSS RICH OAK VENEER WITH OPTIONAL FEATURES FITTED (MARKET DEPENDENT)

1. LWB headroom 946mm 2. LWB kneeroom 189mm

INTERIOR SPACE

OVER A METRE OF LEGROOM

LIMOUSINE RIDE

Long Wheelbase (LWB) models feature over a metre of legroom for rear seat passengers providing the perfect environment to work, enjoy a host of entertainment options, or simply stretch out and relax. Long Wheelbase models also feature a unique 'limousine' ride with revised air suspension settings for even more refined comfort.

Depending on the model, or options chosen, the rear cabin can be further enhanced with individual 10" HD screens. The centre armrest houses the multimedia remote and front and rear seat controls, as well as providing useful storage. Folding business tables, LED reading lights, drop-in footrests and electric side rear window blinds are also available to add comfort, convenience and privacy.

INTERIOR SHOWN: XJ PORTFOLIO LONG WHEELBASE WITH OPTIONAL PREMIUM REAR SEAT PACK SHOWING IVORY SOFT GRAIN PERFORATED LEATHER SEATS WITH EBONY CONTRAST STITCH, EBONY UPPER FACIA, EBONY SUEDECLOTH HEADLINING AND GLOSS RICH OAK VENEER WITH OPTIONAL FEATURES FITTED (MARKET DEPENDENT)

PERFORMANCE ENGINES

STOP/START* TECHNOLOGY

EFFICIENT DIESEL ENGINE

XJ offers a choice of a V6 Turbocharged Diesel* engine or four petrol engines. All petrol engines are supercharged and range from the 340PS 3.0 litre V6 Supercharged to the 510PS 5.0 litre V8 Supercharged and the powerful 575PS 5.0 litre V8 Supercharged. All engines feature Intelligent Stop/Start* to further improve XJ's fuel efficiency and reduce CO₂ emissions. For information on fuel consumption, CO₂ emissions and performance figures for XJ engines, please refer to pages 92 to 93.

DIESEL ENGINE FROM

184g/km[†] CO₂

The 300PS 3.0 litre V6 Turbocharged Diesel engine offers exceptional refinement and efficiency, including an impressive torque figure of up to 700Nm for improved performance and excellent drivability. Its high pressure common rail fuel system delivers efficient combustion and fewer emissions. The engine uses innovative twin parallel sequential turbocharging – a concept pioneered by Jaguar Land Rover – for smooth, more immediate delivery of power at all engine speeds. It is capable of 0-100km/h in 6.2 seconds with CO₂ emissions of just 184g/km[†] CO₂ 7.0 l/100km[†] on the European Combined Cycle.

The engine uses an 8-speed Automatic Transmission and also includes Stop/Start* technology.

*Market dependent. **Engine data has not been re-certified in 2018. Data shown conforms to the 2017 NEDC certification. †The figures provided are as a result of official manufacturer's tests in accordance with EU legislation. For comparison purposes only. Real world figures may differ. CO₂ and fuel economy figures may vary according to wheel fitment and optional extras fitted.

Engine availability is market dependent. Please consult your local Jaguar Retailer for details.

PETROL ENGINES UP TO

0-100km/h in 4.4** sec

A choice of four petrol engines means that you can select the ideal engine to suit your driving style. The 340PS 3.0 litre V6 Supercharged Petrol engine includes a Roots-type supercharger, which is mounted in the 'V' between the two rows of cylinders for compact dimensions. Supercharging provides linear delivery of power and maximises responsiveness. This results in performance matching much larger engines, while optimising economy and reducing emissions. The 470PS, 510PS and 575PS 5.0 litre V8 Supercharged engines are engineered for smoothness, power and incredible performance.

ALL-ALUMINIUM BODY

AGILITY ENHANCED

ECONOMY IMPROVED

100% ALUMINIUM

XJ's all-aluminium body, the core of its dynamic performance, creates a stiffer, stronger and, most importantly, lighter architecture. Developed using aerospace bonding and riveting techniques, XJ's 100 percent aluminium monocoque body structure does not have a single welded joint. With up to 50 percent of XJ's aluminium coming from recycled sources, XJ leads the way in sustainability.

One of the lightest cars in its class, XJ's excellent power-to-weight ratio improves all aspects of performance with no compromise to its strength. Acceleration is improved, and because the engine has to work less, it lowers fuel consumption and emissions. Its aluminium construction also enhances ride comfort, handling, agility and feel, connecting the driver seamlessly to the car and the road.

The inherent strength of aluminium and the monocoque construction offer safety benefits too. The lower weight improves braking performance and reduces the kinetic energy involved in any impact. Aluminium absorbs significantly more energy than steel when it is deformed and, because there are fewer joints, XJ's strength is increased further still.

VEHICLE SHOWN: XJ AUTOBIOGRAPHY LONG WHEELBASE IN LOIRE BLUE WITH OPTIONAL FEATURES FITTED (MARKET DEPENDENT)

ADVANCED DRIVING DYNAMICS

AIR SUSPENSION SYSTEM

ADAPTIVE DYNAMICS

XJ delivers the comfort and refinement of a luxury car with the responsiveness and driver involvement of a sports car. Whether you're cornering, navigating uneven surfaces or accelerating, XJ's Adaptive Dynamics system continually monitors the car up to 500 times a second. Working in conjunction with the air suspension it constantly varies the damping to suit the conditions. These intelligent adjustments keep XJ flat and stable, improving control without loss of ride comfort. In unexpected road and weather conditions, Dynamic Stability Control (DSC) reacts as soon as the system detects the wheels slipping. Trac DSC provides a sportier drive and assists when using snow chains by allowing some slippage or overspin before the system engages. XJ also features selectable driving modes for specific performance requirements. In addition to 'Drive' and 'Sport', Dynamic Mode gives more responsive acceleration; Winter Mode delivers more progressive control in slippery conditions.

VEHICLE SHOWN: XJ PORTFOLIO LONG WHEELBASE IN CARPATHIAN GREY WITH OPTIONAL FEATURES FITTED (MARKET DEPENDENT)

888 JXJ

XJR575* - THE MOST POWERFUL AND AGILE XJ

 **5.0 LITRE SUPERCHARGED V8** | **ELECTRONIC ACTIVE DIFFERENTIAL**

XJR575's breathtaking power and razor-sharp responsiveness help deliver new levels of dynamic ability in a luxury saloon car. It is the epitome of technology, performance and seductive design – everything Jaguar stands for in the 21st century. This flagship Jaguar matches supercar performance with a stealthy, purposeful appearance. The 5.0 litre Supercharged V8 engine at its heart generates a formidable 575PS and 700Nm torque, powering XJR575 to a top speed of 300km/h.

Capable of accelerating from 0-100km/h in just 4.4 seconds, XJR575's driving dynamics are assisted by an innovative Electronic Active Differential. This technology enables fine control of power delivery, maximising traction and limiting the occurrence of wheelspin. Working in conjunction with the Dynamic Stability Control and ABS systems, the Electronic Active Differential uses an electric motor, acting on a multi-plate clutch to manage the delivery of torque to the rear wheels. Full electronic control of the rear differential lock enables the system to apply full locking torque almost instantaneously, allowing the driver to exploit the thrilling performance potential of XJR575.

Subtle exterior design cues optimise the flow of air over and around the car, and signify the sporting intent of this most focused, agile and responsive member of the XJ family. The XJR575 is given even more visual muscularity by a revised rear spoiler, side sills, front bumper, splitter and lower air intakes featuring Gloss Black surrounds.

Unique exterior styling includes XJR575 badging and twin bonnet louvres, as well as Red painted brake calipers and 20" 5 split-spoke 'Style 5044' forged alloy wheels finished in Gloss Black. Also available as a visual enhancement are Satin Corris Grey and Velocity Blue high quality Special Vehicle Operations Premium Palette paint finishes.

*Market dependent.

VEHICLE SHOWN LEFT AND PREVIOUS PAGE: XJR575 STANDARD WHEELBASE IN SATIN CORRIS GREY WITH OPTIONAL FEATURES FITTED (MARKET DEPENDENT)

XJR575* - SPORTING STYLE

SOFT GRAIN LEATHER SPORT SEATS

XJR575 offers an unrivalled combination of sporting style, contemporary luxury and breathtaking performance. Its sports seats feature adjustable bolsters that provide the driver and passenger with lateral support during hard cornering. They are upholstered in soft grain leather offered in two bold colourways, either Ebony with Pimento stitch or Ivory with Ebony stitch. This is complemented with a Carbon Fibre veneer or optional Piano Black veneer. The XJR575 logo appears on the treadplates, dashboard intaglio and is embroidered on the front and rear seats.

*Market dependent.

INTERIOR SHOWN: XJR575 STANDARD WHEELBASE WITH EBONY SOFT GRAIN LEATHER SPORTS SEATS WITH PIMENTO CONTRAST STITCH, EBONY UPPER FACIA, EBONY SUEDECLOTH HEADLINING, CARBON FIBRE VENEER AND EBONY PREMIUM CARPET MATS WITH PIMENTO CONTRAST BINDING WITH OPTIONAL FEATURES FITTED (MARKET DEPENDENT)

DRIVING TECHNOLOGY ADDED DRIVER CONFIDENCE

ALL SURFACE PROGRESS CONTROL

Standard on every XJ, Jaguar's All Surface Progress Control (ASPC) technology is a low speed cruise control that helps the car to cope with low traction situations. ASPC allows the driver to concentrate on steering the vehicle. Once activated, you use the cruise control buttons to set a 'target' speed of between 3.6km/h and 30km/h.

The system then works to achieve and maintain that speed while exerting optimum traction control. ASPC gives XJ drivers added confidence over slippery, loose or icy surfaces, undulating terrain and even while descending a difficult incline. It helps make XJ easy to drive in challenging conditions.

With any given set of tyres, ASPC can accomplish comparable levels of traction to that achievable by an expert driver. Fitting All Season or Winter tyres to XJ can improve capability on slippery surfaces.

TECHNOLOGY INFOTAINMENT

Delivering a wealth of information and entertainment, every XJ is equipped with our InControl infotainment system, Touch Pro. It features intuitive and advanced integrated technologies to ensure everyone can make the most of their journey.

10" TOUCH PRO

The standard 10" Touchscreen at the heart of the centre console supports swipe and pinch-to-zoom gestures and delivers our richest ever audio-visual entertainment. To enhance the in-car experience, Touch Pro offers customisable homescreens and fast response times as well as voice control. Multi-tasking is also made easy thanks to the Interactive Side Panel.

INTERIOR SHOWN: XJ PORTFOLIO LONG WHEELBASE SHOWING EBONY SOFT GRAIN PERFORATED LEATHER SEATS WITH OPTIONAL FEATURES FITTED (MARKET DEPENDENT)

CONNECTIVITY

InControl is Jaguar's suite of standard and optional features that connects you to your vehicle and links you seamlessly, and securely, with the outside world. There are a range of packs and options available to choose from. With a selection of apps, even when you're away from your car, some of the InControl features stay with you, making sure the Jaguar experience is more enjoyable than ever.

STANDARD FEATURES

NAVIGATION PRO

Standard on all models, Navigation Pro allows you to save your favourite places, use pinch-to-zoom gestures for simple map exploration and display a choice of either 2D or 3D crystal clear map graphics.

OPTIONAL FEATURES

PRO SERVICES*

- **Real Time Traffic Information** - Uses live traffic data feeds to give you the most accurate picture of what the traffic is like on the way to your destination.
- **Online Search** - Wherever you are, you can search the surrounding area for places of interest. The system can access expert destination information, travel tips and inspiration as well as online travel reviews of the local area.
- **Planning Routes and Door-to-Door Routing** - Before setting off, use the Route Planner app or go online to search, save locations or set your destination. The app uses the Cloud to send your destination automatically to your vehicle's navigation screen. Once you've parked, the Route Planner app will guide you to your destination - a true door-to-door experience which includes public transport options.

- **Share ETA** - You can share your estimated time of arrival so your selected contact(s) will know exactly when you will arrive, as calculated by the navigation guidance system. If you're running late, Share ETA can then send automatic updates via text messages or email, without any further action from you.
- **Commute Mode** - Allows the system to learn your commutes and automatically advises you of the expected journey time based on live and historical traffic movements without you having to input a destination. The system learns the routes you take for a given destination and then advises which of those is the quickest. The feature can be turned on and off dependent on driver preference.
- **Online Routing** - While you're on your way to a destination the system monitors live traffic conditions and takes into account typical traffic patterns for that time of day, keeping you on the optimum route.
- **Safety Cameras** - Alerts you to the location of accident black spots monitored by safety cameras.

WI-FI HOTSPOT

- **Wi-Fi Hotspot** gives you the option to create a strong 4G hotspot using the car's antenna when you fit a SIM card. Connect up to eight devices to read emails, browse the web and download content.

*Features within Pro Services may vary between markets.

iPhone® is a registered trademark of Apple Inc., registered in the US and other countries. Please ensure iPhone compatibility is reviewed with your local Jaguar Retailer. AUDIO

A vehicle's cabin is the ideal place within which to experience your personal choice of music and Jaguar XJ has the option of four different audio systems to bring your music to life:

ENHANCED SOUND SYSTEM

Excellent acoustic range through 12 speakers.

MERIDIAN™ SOUND SYSTEM

Great definition, crystal clear highs and full, deep bass – delivered through the careful arrangement of 12 speakers plus two subwoofers.

MERIDIAN SURROUND SOUND SYSTEM

All the fullness and clarity of a live performance delivered through an arrangement of 18 front, side and rear speakers plus two subwoofers – seamlessly brought together using Trifield™ technology. Exclusive to Meridian, Trifield perfectly blends the centre and surround channels with left and right channels ensuring an optimum, consistent sound experience for each passenger.

MERIDIAN REFERENCE SOUND SYSTEM

The ultra-premium Meridian Reference 1300W Sound System uses 24 speakers and 2 subwoofers. Employing psychoacoustics, it produces sounds that are so true to life they are perceived by the brain as the real thing.

For more details on feature availability refer to pages 60-67 or configure your vehicle at jaguar-me.com

MERIDIAN™

Formed in 1977 in Cambridgeshire, England, Jaguar's audio partner Meridian has pioneered many firsts including active speakers and the world's first digital surround sound processor. Meridian's audio technology input has helped ensure that Jaguar XJ is the most superb space within which to experience sound. Meridian Cabin Correction technology was utilised to analyse cabin shape, acoustics and resonance characteristics in order to help remove unwanted sounds. The advanced algorithm ensures that the rhythm, punch and timing of any piece of music are heard precisely how the artist intended, providing a consistently exceptional quality audio experience for all passengers in the vehicle.

	UNIQUE MERIDIAN TECHNOLOGY	SPEAKERS AND SUBWOOFERS	WATTS
ENHANCED SOUND	N/A	12	250
MERIDIAN™ SOUND	  	12+2	380
MERIDIAN™ SURROUND SOUND	   	18+2	825
MERIDIAN™ REFERENCE SOUND	    	24+2	1300

DIGITAL SIGNAL PROCESSING

Brings all elements of the audio system together as one, for performance that would otherwise require significantly larger speakers.

MERIDIAN CABIN CORRECTION

The advanced algorithm of Meridian's Cabin Correction tailors the sound experience to the precise acoustics of XJ's interior.

MERIDIAN DIGITAL DITHER SHAPING

To maintain the quality of musical recordings, they are converted into a common digital format. Meridian Digital Dither Shaping ensures that digital signal conversions are made smoothly and seamlessly, preserving the finest details of the audio performance. The result is authentic musical conversion, evoking the emotions of the original recording.

TRIFIELD

Exclusive to Meridian, Trifield blends the centre and surround channels seamlessly with left and right channels, delivering a consistent, concert-like experience for all occupants.

CONVERSATION ASSIST

Conversation Assist, included as standard with the Meridian Reference 1300W Sound System, allows the driver or front seat passenger to talk with ease to passengers in the rear of the car, and vice versa. Microphones above each seat reinforce the occupants' voices via the audio system's speakers, making it much easier for everyone to be heard.

SAFETY AND EFFICIENCY

DRIVER ASSISTANCE

XJ is equipped with an array of standard and optional Driver Assist Systems dependent on the model chosen. All are designed to make driving easier and safer.

360° PARKING AID

360° Parking Aid uses ultrasonic sensors to the front, rear and sides of the vehicle to alert you to the proximity of objects when parking or exiting from a bay.

ADAPTIVE FRONT LIGHTING*

Adaptive Front Lighting adapts to steering inputs to cast a deeper beam into corners, while its Intelligent Auto High Beam Assist senses oncoming vehicles and automatically selects high or dipped beam as appropriate.

DRIVER CONDITION MONITOR

Driver Condition Monitor detects if you're starting to feel drowsy or fatigued - giving you an early warning when you need to take a break.

360° SURROUND CAMERA

Provides a 360° exterior view via the Touchscreen, helping with various manoeuvres from parking by a kerb, to getting in and out of tight spaces and junctions.

ADAPTIVE CRUISE CONTROL WITH QUEUE ASSIST*

Adaptive Cruise Control with Queue Assist will keep your vehicle a set distance from the one in front should it slow or stop when you're cruising on the motorway or travelling in slow-moving traffic. Should the vehicle in front stop completely, your vehicle will come to a smooth halt. Once the traffic moves, simply touch the accelerator and Adaptive Cruise Control will resume following the car in front. The system can be activated from 16km/h up to motorway speeds.

PEDESTRIAN CONTACT SENSING

Help protect the people outside your car as well as those inside. If the car makes contact with a pedestrian, our Pedestrian Contact Sensing system is designed to automatically raise the bonnet to help cushion a potential impact.

*Market dependent for Adaptive Cruise control with queue assist & adaptive front lighting, as not available in all MENA markets.

All in-car features should be used by drivers only when safe for them to do so. Drivers must ensure they are in full control of the vehicle at all times.

Standard and optional features may differ depending on market availability. Please consult your local Jaguar Retailer for details.

For more details on feature availability refer to pages 60-67 or configure your vehicle at jaguar-me.com

PARK ASSIST

Park Assist makes life in the city easier. The system works for both parallel and perpendicular parking and automatically steers XJ into and out of a space while the driver operates the pedals.

LANE DEPARTURE WARNING

Lane Departure Warning can help make long journeys much safer. It senses when your car is unintentionally drifting out of your lane, and notifies you with a visual alert and a gentle vibration of the steering wheel.

LANE KEEP ASSIST

Working in conjunction with Lane Departure Warning, Lane Keep Assist senses when your car is unintentionally drifting out of your lane, and gently steers you back.

BLIND SPOT ASSIST

Blind Spot Assist can help you prevent collisions. If your vehicle detects another car in your blind spot when you begin to change lanes, a small warning light illuminates in the corresponding wing mirror and a steering torque encourages you to guide your vehicle away from the approaching vehicle.

REVERSE TRAFFIC DETECTION

Reverse Traffic Detection is particularly useful when reversing out of a parking bay, the system warns you of vehicles, pedestrians or other hazards, approaching from either side of your vehicle. It will alert you with both audio and visual warnings so you know what's behind you even when the view is obstructed.

EFFICIENT TECHNOLOGIES

 **STOP/START* TECHNOLOGY** | **CLEAN TECHNOLOGIES**

We are determined to do more with less. That is why XJ uses a range of technologies to reduce fuel consumption and CO₂ emissions, all while staying true to Jaguar's dynamic nature.

STOP/START* TECHNOLOGY

All XJ engines utilise Stop/Start* technology. It shuts down the engine when you come to a complete halt and restarts the engine immediately when required, helping to save fuel, especially during urban driving.

*Market dependent.

ELECTRIC POWER ASSISTED STEERING (EPAS)

XJ's next generation Electric Power Assisted Steering (EPAS) offers outstanding feedback, control and immediate power assistance. Electrically driven, it's only active on demand which saves fuel. Only available on Rear Wheel Drive vehicles.

AERODYNAMICS

XJ's highly efficient shape is the result of hundreds of thousands of hours of Computational Fluid Dynamics testing. Jaguar created one of the world's most advanced automotive virtual testing labs, honing XJ's shape through virtual wind tunnels to slice through wind resistance.

ALUMINIUM ARCHITECTURE

XJ's All-Aluminium architecture makes it one of the lightest vehicles in its class, meaning less fuel is needed to move it and consequently creating lower emissions. With up to 50 percent of the aluminium used coming from recycled sources, XJ's green credentials are assured.

XJ50 - CELEBRATING THE PAST, LOOKING TO THE FUTURE

For 50 years, XJ has been synonymous with innovation, style and attention to detail. The special edition XJ50 celebrates this triumph of British design and craftsmanship. With a refined engine, a lightning fast transmission and a range of advanced driving technologies, XJ50 delivers the refinement of a luxury car with the responsiveness and driver involvement of a sports car. Subtle Chrome XJ50 badging on the side vents and boot lid distinguish this flagship Jaguar from its counterparts.

VEHICLE SHOWN: XJ50 LONG WHEELBASE IN LOIRE BLUE WITH OPTIONAL FEATURES FITTED (MARKET DEPENDENT)

FLAWLESS CRAFTSMANSHIP SINCE 1968

XJ50 is available in four specially selected exterior colours - Fuji White, Santorini Black, Rosello Red and Loire Blue. Complementing the elegant and sporty exterior are the new and exclusive to XJ50 5 split-spoke 'Style 5045' alloy wheels with a Gloss Black and Diamond Turned finish. On the inside, unique design features and meticulous attention to detail set XJ50 apart. Illuminated XJ50 branded treadplates draw you into a cabin that honours style and elegance. The dashboard intaglio and front armrest also feature the XJ50 logo. Delightful to touch, soft grain leather with Diamond sew pattern and twin-needle contrast stitching covers the seats, instrument panel and doors. Headrests embossed with the Jaguar leaper and a hand-crafted Gloss Shadow Walnut veneer add to the luxurious ambience.

6 CHOOSE YOUR JAGUAR GEAR - ACCESSORIES

To find out more about the full range of Retailer fit Jaguar Gear - Accessories, please refer to your Retailer or go to gear.jaguar.com

Chrome Mirror Cover
C2D5489 - Left
C2D5488 - Right

Chrome mirror covers accentuate the stylish design of the exterior mirrors. Left and right side options available.

*Not compatible with Rear Seat Entertainment.

Splash Guards
C2D8498 - Front
C2D8499 - Rear

Jaguar branded front splash guards complement the lines of your vehicle, reduce spray and provide protection from dirt and stone chippings.

Click and Hang*
J9C2167

The Click and Hang is part of the Click and Go range. This removable coat hanger allows shirts or jackets to be kept crease-free whilst transporting. Also includes an integral hook for use outside the vehicle.

Aluminium Gearshift Paddles
T2R6547MMU

Replacement steering wheel gearshift paddles offered in a Premium aluminium material providing a high quality finish to a key contact point in the vehicle. Manufactured from billet machined aluminium, the paddles are hand brushed for a Premium finish and anodised to ensure they will not deteriorate with wear.

Illuminated Treadplate

Elegantly styled aluminium sill treadplates illuminate when the driver or passenger doors are opened. Highlighted by soft Phosphor Blue lighting. Please consult your authorised Jaguar Retailer for ordering information.

Click and Play*
J9C2164

The Click and Play iPad 2 - 4 holder is part of the Click and Go range. This removable tablet holder attachment can easily be positioned at multiple angles for in-cabin comfort and rear entertainment.

Premium Loadspace Mat
C2D7450

Luxurious soft luggage mat in Ebony Black with the Jaguar logo. Deep premium 2,050g/m² pile with nubuck edging and Dove contrast stitch.

SPECIAL VEHICLE OPERATIONS

Special Vehicle Operations (SVO) designs and engineers products that amplify Jaguar and Land Rover core brand values; focusing on luxury, performance and capability.

Our team of specialists is completely focused on enhancing and personalising our relationship with our most discerning and enthusiastic customers – delivering experiences that our customers will love for life.

SVO is responsible for the creation of a suite of halo products that showcase the pinnacle of Jaguar design and engineering capabilities, enabling our customers to indulge their passion for spectacular new vehicles.

THE NEW SVO TECHNICAL CENTRE

In the heart of the British Midlands is SVO's brand new Technical Centre. This state-of-the-art facility represents a £20m investment by Jaguar Land Rover, and features four zones designed to support the creation of truly breathtaking vehicles. In addition to the Commissioning and Presentation suites, our manufacturing centre is responsible for the assembly and hand-finishing of SVO halo and Collector's Edition vehicles, and a world-class paint facility ensures an exquisite finish for every car we create.

BESPOKE BY SVO

Bespoke by SVO was born out of an innate understanding of what our most discerning clients value more than anything else – to own something completely unique to them. Something only they can have, reflecting who they are and what they hold most dear. With that in mind, SVO developed innovative Commissioning and Presentation suites enabling creation of the most refined and luxurious vehicles in the world. This special new facility is housed within the new SVO Technical Centre in Warwickshire, England.

THE WORLD OF JAGUAR

Choose XJ and you're joining the exciting World of Jaguar.

TRACK DAYS

There's no better way to get to know Jaguar than by taking a drive. The Jaguar Experience offers a range of unique opportunities to really find out what it feels like to get the most out of a Jaguar. Our track experiences allow you to push yourself and cars from the incredible Jaguar range to the limit.

Find out more by visiting jaguar.com/experience

BEHIND THE SCENES

Our factory tours give you the unique opportunity to experience the whole process of how our cars are brought to life – from the moulding of sheet metal to those intricate final touches. At our state-of-the-art production facilities, you'll get to see how skilled technicians and sophisticated machines work seamlessly together to perfect some of Jaguar's most breathtaking cars.

Find out more at jaguar.com/experience-jaguar/behind-the-scenes

ICE DRIVE EXPERIENCES

Take your driving to the next level with the Jaguar Land Rover Ice Drive Experience. Since 2017, we have been offering an adventure in Arjeplog, Sweden, that will test and develop your performance driving skills in extreme conditions. It's a rare chance for owners and enthusiasts to tackle some of the harshest and most challenging tracks on earth, under the skilled guidance of our experts. Our driving instructors are of the highest calibre and will be with you every step of the way – ready to impart years of driving wisdom. You will dance on ice, glide around some of the most awe-inspiring corners imaginable and realise the true exhilarating potential of Jaguar and Land Rover.

If you'd like to be part of the next adventure, find out more by visiting jaguar.com/experience-jaguar/iconic-experiences

FORMULA E

Jaguar's reputation for performance, technology and design was forged by the world's most challenging circuits and championships. From Le Mans to Formula 1, and now Formula E, the grid is our test-bed. Formula E provides the perfect proving ground for electric vehicle technology in a high performance environment. The racing series accelerates the development of Jaguar's electric powertrains. With every race, Formula E helps Jaguar engineers create better electric vehicles.

Find out more by visiting jaguar.com/jaguar-racing

JAGUAR COLLECTION

The latest range from the Jaguar Collection has been crafted with the same design execution and attention to detail that goes into all of our cars. This is evident in our clothing range, premium leather items and luxury travel goods. To celebrate Jaguar's heritage, we also have a collection that honours past achievements and features race inspired gift items and apparel.

To find out more, visit the online shop at www.jaguar.com/shop

THE JAGUAR MAGAZINE

This is our own vibrant, cosmopolitan and contemporary magazine. Produced by a team of enthusiastic designers and feature writers, it goes behind the scenes at Jaguar as well as providing insight into the world of luxury, design, style and travel. You can enjoy Jaguar Magazine twice a year completely free of charge for the first three years. Ask your local Jaguar Retailer to ensure that you receive your copy.

AT YOUR SERVICE

As well as providing a range of exclusive services and lifestyle products, the World of Jaguar makes owning and driving carefree and easy.

GENUINE PARTS

Jaguar Genuine Parts are designed, tested and manufactured to our uncompromising standards for quality, fit and durability. Each part is engineered specifically for your XJ to contribute to optimum performance and to help maximise its lifespan.

FLEET & BUSINESS

Jaguars are dynamic and distinctive cars that help companies express the unique character and personality of their business. We are committed to providing customer-focused aftersales services, ensuring that every Jaguar performs to the highest standard and in the most cost-efficient way for businesses.

Visit jaguar.com/fleet-and-business for more information.

JAGUAR ASSISTANCE

Jaguar Assistance provides assistance in motoring emergencies, from immobilisation due to breakdown or accident to minor problems such as punctures. You can rely on our roadside assistance, whatever the situation, wherever you happen to be.

JAGUAR FINANCIAL SERVICES

New or used, for personal or business use, we have a finance option that puts you in complete control. Please speak to your local Jaguar Retailer to find out more.

INSURANCE

XJ's key components are easily accessible for time-efficient service and repair costs. With a focus on lower repair costs, XJ delivers competitive insurance group ratings. To find out more about the compelling business case for XJ, please contact your local Jaguar Retailer.

IMPORTANT NOTICE

Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles, parts and accessories and alterations take place continually. Whilst every effort is made to produce up to date literature, this brochure should not be regarded as an infallible guide to current specifications or availability, nor does it constitute an offer for the sale of any particular vehicle, part or accessory. Distributors and retailers are not agents of Jaguar Land Rover Limited by any express or implied undertaking or representation.

COLOURS

The colours reproduced here are subject to the limitations of the printing process and may therefore vary slightly from the actual vehicle. The company reserves the right to alter or withdraw any colour finish without notice. Some of these colours may not be obtainable in your country. Please check availability of colours and current specifications with your Jaguar Retailer. Distributors and retailers are not agents of Jaguar Land Rover Limited and have absolutely no authority to bind Jaguar Land Rover Limited to any express or implied undertaking or representation.

ENVIRONMENTAL INNOVATION AT JAGUAR

Jaguar is committed to reducing dependency on fossil fuels, using fewer natural resources and creating less waste as part of our approach to responsible and sustainable business development.

Search 'Jaguar Environmental Innovation' for more details.
